Final posters

You will upload the final version of your Capstone posters, following the criteria outlined in class.

Your posters should be HIGHLY VISUAL and contain:

- **Title of project**
- **Subtitle:** This should be your refined HMW question
- **Project blurb (summary)** expressing the main issue you are addressing and the value your project brings (120 to 150 words).
- **Hero shots*:** At least 2 Hero shots of your project in the context of use.
- **More images*, diagrams, and very little text to respond to these questions:**
 - **Why?** Why do we care?, Why is this a problem that needs solving? Background of the selected challenge: Use brief research data to support your points if adequate.
 - **What?** What is your proposed solution? What does it look like?
 - **Who?** Who are the stakeholders most affected/benefited? Who is your target audience?
 - **How?** How does your proposal work? Does it have steps? How would participants engage? Provide details of main technical aspects or/and a system map/storyboard.
- **Project impact:** show what will change with your project and state the main impacts.
- **Your name, stream name, year, Design/Degree Programme, UoA logo (small).**

**You are not allowed to use AI-generated images in the poster. You are allowed to use royalty-free stock images as part of your hero shots (e.g., "a family using your product" or "Auckland city in the background". You should caption images and cite the source directly in the poster (e.g. "Source: Getty images", however, full citation should be in the visual project report.*

Deliverables

Size & Format: Two, A1-size, Portrait orientation posters

Document Resolution: 300 dpi

Document Colour Space: CMYK

Document Bleed: 3mm

File Type: PDF

Posters have to be **readable from a 1.5m distance** and **not contain any images generated by AI**.

Any late submissions will be severely penalised, as we need to have enough time to print the posters for the final exhibition.
